ISHA Turku Ry:n Toimintakertomus 2022-2023

ISHA Turku on ISHA Internationalin paikallisjärjestö, johon kuuluvat Turussa toimivat Kritiikki ry, Vare ry, Kutu ry, F-Piste ry, P-Klubi ry ja Kleio rf. Kaikkien näiden järjestöjen jäsenet kuuluvat automaattisesti ISHA Turkuun, eikä heidän tarvitse maksaa jäsenmaksuja. ISHAn tapahtumat ja viralliset dokumentit ovat englanninkielisiä, mistä syystä myös toimintakertomus on pääasiassa englanninkielinen mutta sisältää suomenkielisen tiivistelmän tärkeimmistä seikoista.

ISHA Turku Annual Report 2022-2023

ISHA Turku is a local branch of ISHA International, which was formed to forge connections between history students internationally. ISHA Turku includes the local organizations Kritiikki ry, Vare ry, F-piste ry, Kutu ry, P-klubiry and Kleio rf. All members of these organizations automatically belong to ISHA Turku, and do not have to pay any membership fee, as per ISHA Turku's policy. The 2022-2023 term was the 22nd year of ISHA as a registered association existing in Turku.

ISHA Turku events are also intended for exchange students and international degree students, and in the 2022-2023 term we saw a great increase in these attendees. This term, we focused heavily on reviving connections with local member organizations that were lost during the covid lockdowns. Additionally, we made sure to always send out invitations to international exchange students and degree students in their networks, to create the international forum of discussion ISHA was originally created for. Our events are always English-speaking to maximize inclusivity. ISHA Turku additionally stresses the importance of TYYs principles for a safer space by having appointed harassment contact persons for our events.

ISHA International is a major part of the functioning of ISHA Turku, as the branches of ISHA co-operate, create events and seminars together, as well as provide an international forum for conversation. ISHA International's board is in regular contact with the member branches online and also in person.

Hallitus/The Board

ISHA-Turku ry:n tapahtumat toimintavuonna 2022-2023

The events hosted by ISHA Turku in the 2022-2023 term

Picnic:

Tapahtumaa suunniteltiin hallituksen kokouksessa 19.4.2022 ja järjestettiin 10.5.2022 Tuomaanpuistossa budjetilla 4,30€ Osallistujia oli 3, ja tapahtuma koettiin onnistuneeksi.

Picnic:

The term of 2022 started with the Covid-19 situation still concerning the student body. Therefore we decided to host our first event of the term as an outdoors event to increase safety. The event was planned in the board meeting on 19.4.2022 with a

budget of under 10 euros maximum. The event was hosted on 10.5.2022, from 4pm onwards. 4,30€ was spent on refreshments for the attendees. We also borrowed some board games from Vare Ry for the attendees to enjoy. A smaller scale "pub quiz" was prepared for the event. With 3 attendees, the event was considered a success by the board.

Uusien ilta

ja yhteistyö jäsenjärjestöjen kanssa: Kaikille jäsenjärjestöille lähetettiin kutsu syksyn ensimmäisen tapahtuman suunnittelutilaisuuteen. Yritimme näin luoda tiiviimpää yhteistyötä järjestöjen välillä, ja iloksemme Vare ry ja F-piste ry lähettivätkin edustusta kokoukseen.

Uusien ilta/pubivisa tapahtuma suunniteltiin kokouksissa 16.8.2022, 30.8.2022. Tapahtuma järjestettiin 13.9.2022, 20€ budjetilla, ja kävijöitä oli illan mittaa 20-25.

Newbies night

and cooperation with member organizations:

All of ISHA's member organizations were contacted regarding planning an event for all freshmen and incoming exchange students. Luckily, Vare and F-piste attended the meetings regarding the event, and the event was greatly successful amongst the students.

The event was hosted at Panimoravintola Koulu on 13.9.2022, with a budget of 20€. The money was spent on a gift card which was awarded to the winner of the pub quiz. There were roughly 20-25 people in attendance, which the board considered a great success. Half of the attendees were exchange students, which fulfilled ISHA's goal of providing an international forum in our events.

Halloween sitsit:

ISHA Turku on vuosittain pyrkinyt järjestämään sitsit, ja Halloween-sitsit saivat suurta suosiota toimintavuonna 2021. Tästä syystä sitsejä 2022 suunniteltiin useissa kokouksissa pitkin syksyä. 11.10.2022 kokouksessa arvioitiin ISHAN tienaavan sitseistä noin 1000-1500€, ja tapahtuma arvioitiin nollataseiseksi. Sitsit järjestettiin 27.10.2022 Osakuntasalissa, noin 60 osallistujan voimin, joista puolet olivat vaihto-opiskelijoita.

Halloween Sitz:

The sitz are the biggest events thrown by ISHA Turku, and thus the event was discussed in most board meetings throughout the fall. The budget from the previous year was used as a reference, though it was noted that the increased price of food would require the sitz to cost more for the participants. At the 11.10.2022 board meeting it was estimated ISHA would receive roughly 1000-1500€ from the sitz tickets, with all of that being spent on sitz-related costs.

The event was hosted on 27.10.2022 with roughly 60 attendees, with only a few people not showing up despite signing up. Again, around half of the attendees were exchange students.

Hämeenlinna ekskursio:

ISHA Turku halusi yhdistää kulttuurin ja urheilun yhteen tapahtumaan, ja tämä toteutui ekskursion muodossa. Tapahtuma järjestettiin yhteistyössä ISHA Helsingin kanssa, pitäen budjetit ja osallistujat erillään. ISHA Turku keräsi paikallisilta osallistujilta 10€, joka toimi varausmaksuna ja osana matkustuskuluista. Osallistuja oli ISHA Turun hallituksesta kolme (3), ja osallistujia oli kolme(3). Matkustuskuluihin käytettiin 140,40€. Kohteena oli Hämeenlinna, ja paikan päällä ISHA:t tutustuivat Hämeen Linnaan, sekä tekivät reippaan kaupunkikierroksen. Tapahtuma oli alkoholiton.

Hämeenlinna Trip:

To collaborate with another ISHA branch, a trip to a different city was planned with ISHA Helsinki. The trip would also act as the sporting and cultural event for the term, and was alcohol-free.

The trip was on 19.11.2022 and it included a tour of the Häme castle, and a brisk walking tour of the city, as well as some free time around the city center. ISHA Turku had 3 people sign up for the event, and they all paid 10€ to reserve their spot on the trip. Additionally, 3 members of the board attended. The bus and train trips were all covered by ISHA Turku, and the final cost was 140,40€. Two of the people who signed up did not show up, but the board and our one attendee met with ISHA Helsinki in good spirits.

Pikkujoulut:

ISHA Turku ja EGEA Turku tekivät yhteistyötä pikkujoulujuhlien järjestämisessä. Pikkujoulut järjestettiin 8.12.2022 TYSin Aitiopaikan Klubitilassa. Budjetiksi määriteltiin 20€ virvokkeisiin ja herkkuihin. Tapahtumaan järjestettiin pubivisa yhteisesti EGEAn kanssa. Tapahtumaan saapui noin 20 osallistujaa, joista suurin osa oli vaihto-opiskelijoita.

Pre-Christmas Party:

The Pre-Christmas party on 8.12.2022 at Aitiopaikka Club Room was organized in co-operation with EGEA Turku. The event included drinks and snacks for the participants, with a 20€ budget provided by ISHA Turku. The event included activities such as board games, music, and a pub quiz prepared also with EGEA Turku. ISHA Provided the prize for the winner of the quiz. With about 20 attendees throughout the evening, most of them exchange students, the boards were both pleased with the event and hoped to co-operate again in the future.

Uusien ilta II:

Uusien vaihto-opiskelijoiden integroimiseksi ISHA Turku järjesti Uusien Illan, jonka

huipentuma oli ISHAn perinteinen pubivisa. Tapahtuma järjestettiin 1.2.2023 Anniskeluravintola Portissa. Tapahtumaan käytettiin 15€, joka meni visan voittajien palkintoihin. Tapahtuma yllätti hallituksen suosiolla, ja paikalle saapui noin 40-45 ihmistä, joista suurin osa oli vaihto-opiskelijoita.

Newbies Night/Pub Quiz:

With the new academic term and new exchange students having arrived, ISHA Turku decided on hosting another event for 'newbies' as well as participants from member organizations. The event took place at bar Portti on 1.2.2023. The board prepared a pub quiz for small teams, and chose a location with many activities such as board games. The event was a surprise hit, with about 10 locals and 30 exchange students showing up. While the amount of attendees was overwhelming for the small board managing it, we were extremely pleased with how popular the event turned out to be. The teams for the quiz were encouraged to consist of 2 exchange students and one local, to get new people talking to one another. Such a team did win the quiz and was awarded the 15€ prize budgeted for the event.

Pubivisa II:

Pubivisan suosion rohkaisemina ISHA Turun hallitus päätti järjestää uuden, vastaavan tapahtuman. Tapahtuma järjestettiin Proffan Kellarin kabineteissa 24.2.2023. 24€ Käytettiin palkintoihin voittajatiimiä varten. Tapahtumaan osallistui 20 ihmistä, joista osa oli vaihto-opiskelijoita.

Pub quiz II:

Due to the surprising popularity of the last quiz, ISHA Turku wanted to host another similar event. This time, it was hosted at Proffan Kellari on 24.2.2023. Similarly, 24€ was spent to give prizes for the winning team of the quiz. This time around 20 people showed up and were again encouraged to create teams mixing locals with exchange students.

Paikallisjärjestöt:

Tapahtumien lisäksi ISHA Turku esitteli toimintaansa Kritiikki RY:N toimistopäivystyksissä 20.9.2022 ja 19.1.2023, sekä P-Klubi Ry:n toimistopäivystyksessä 24.1.2023. Lisäksi Hallituskalastelu järjestettiin 28.2.2023 Proffan Kellarissa hallitustoiminnasta kiinnostuneille. Nämä tapahtumat järjestettiin suomen kielellä paikallisia toimijoita varten. Näissä tapahtumissa korostettiin ISHA Internationalin roolia ja tarjoamia kansainvälisiä mahdollisuuksia.

Noteworthy mentions from the 2022-2023 term:

ISHA Turku hankki postereita, joita laitettiin esille kampusalueelle näkyvyyden luomiseksi. Postereihin käytettiin tasan 20€

ISHA Turku purchased posters for 20€. The posters were bought to increase visibility in the campus area, and to provide materials for the member organizations to have in their office spaces.

A mascot, patches and stickers were additionally considered but ultimately rejected, and left for a future board of ISHA Turku to plan and acquire.

Additionally, the idea for a 20th annual ball for ISHA Turku has been discussed since 2019. Unfortunately due to the covid-19 pandemic in 2020-2021, the idea was scrapped at the time. The board of 2022 additionally came to the conclusion that

there were not enough resources to complete such an event. Therefore the board will also not recommend to include such an event in the plan of action for the next board. We do however recommend a possible smaller scale celebration for the 25th anniversary of ISHA Turku.
